I am pleased to introduce the Nessa Foundation a charitable organisation working to help the needy, poor and orphans in Bangladesh.

I know Mr Mujibur Rahman Chowdhury for many years.
He is devoting his life for charitable work.
He is giving all personal Pension income every month for the noble cause.

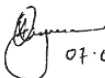

But that is not enough to sustain the noble work he is doing. I would like to request the kind people to extend their hand to Mr Mujibur Rahman and Nessa Foundation.

May Allah reward you abundantly.

Assalamu'alaykum wa rahmatullahi wabarakaatuh

To whom it may concern,

I visited Nessa Foundation in Bangladesh twice. I personally observed the lessons and operations and found the teachers and management to be professional and organised. They incorporate modern methods of teaching and technology. The curriculum is beneficial. Many of the students are orphans. They are doing very good work and need your support to continue as a charity.
